

**Edwards Lifesciences Philanthropy Report • 2006**

*Strengthening Our Communities*

Edwards

Welcome to our inaugural edition of the Edwards Lifesciences philanthropy report. Our company's Credo states that Edwards Lifesciences and its employees will strive to create a community unified in its mission to improve the quality of life around the world; and we take that pledge to heart each and every day.

The Edwards Lifesciences Fund, for example, was born out of our commitment to strengthen our communities and to support advancements in cardiovascular disease awareness and knowledge. Edwards Lifesciences established the Fund with \$20 million. To date, the Fund has already awarded approximately \$2 million in grants to more than 60 charitable organizations.

Proving that the world is our community, Edwards Lifesciences is also a corporate partner to AmeriCares and has donated more than \$600,000 worth of cardiovascular supplies to some of the world's most underserved populations. Edwards' products, combined with AmeriCares' humanitarian assistance, have helped tackle the challenges of chronic disease by providing patients with increased access to treatment around the globe.

In addition, one of our company's Aspirations is for 100% of our 5,500 worldwide employees to participate in activities that help strengthen the communities in which they live and work. I'm extremely proud of our employees who have participated in community support programs.

For 2007, we are looking forward to the third annual grant cycle for The Edwards Lifesciences Fund and to continued employee involvement in a variety of volunteer and donation programs that help strengthen our communities.

Sincerely,

Michael A. Mussallem  
*Chairman and CEO*  
*Edwards Lifesciences Corporation*

## Our Credo

At Edwards Lifesciences, we are dedicated to providing innovative solutions for people fighting cardiovascular disease.

Through our actions, we will become trusted partners with customers, colleagues, and patients – creating a community unified in its mission to improve the quality of life around the world. Our results will benefit customers, patients, employees and shareholders.

We will celebrate our successes, thrive on discovery, and continually expand our boundaries. We will act boldly, decisively, and with determination on behalf of people fighting cardiovascular disease.

Helping patients is our life’s work, and

*life is now*

## The Edwards Lifesciences Fund

The Edwards Lifesciences Fund is a philanthropic, donor-advised fund. Grants are awarded annually to organizations supporting advancements in knowledge and improvements in quality of life, focusing primarily upon cardiovascular disease and the communities where Edwards Lifesciences' employees live and work.

**The goals and objectives of The Edwards Lifesciences Fund are to:**

- Expand awareness of cardiovascular disease, its prevention and treatment
- Enhance support and access to care for under-served cardiovascular patients
- Support research and education to increase expertise and innovation in treating cardiovascular disease
- Establish trusted partnerships to further leverage our community impact
- Provide opportunities for Edwards Lifesciences and our employees to contribute to our communities

**The Edwards Lifesciences Fund focuses its support to organizations that:**

- Are directly involved in research or treatment of advanced cardiovascular disease
- Build positive community relationships with programs that emphasize health and human service, education and scientific innovation and civic and community initiatives
- Share a commitment to the well-being of citizens in the communities where a significant number of our employees live and work
- Provide opportunities for Edwards Lifesciences employees to be active volunteers and/or in which employees perform community service in leadership roles

The Edwards Lifesciences Fund is managed through the Vanguard Charitable Endowment Program. In order to receive a grant from The Edwards Lifesciences Fund, applicants must demonstrate tax exempt status.

We invite you to find out more about The Edwards Lifesciences Fund, and how to apply for a grant, at [www.Edwards.com/EdwardsFund](http://www.Edwards.com/EdwardsFund).

## AmeriCares

Edwards Lifesciences is a proud corporate partner of AmeriCares, a nonprofit international relief organization.

Access to medicines and treatment is a problem that affects one third of the world's population. In developing countries the problem is particularly acute and AmeriCares has been helping those in need for 25 years. Thanks to an intense passion to help and the collaborative efforts of corporate partners like Edwards Lifesciences, AmeriCares has been able to deliver more than \$6 billion of aid to people in 137 countries.

In recent years, Edwards Lifesciences has donated more than \$600,000 worth of cardiovascular supplies, including much-needed heart valves – to AmeriCares. Edwards Lifesciences' donations have been delivered to many locations around the globe, including Cambodia, Guatemala, Dominican Republic, El Salvador, Armenia and Lebanon. Edwards Lifesciences' products, combined with AmeriCares humanitarian assistance, have helped tackle the challenges of chronic disease and have increased access to treatment for some of the world's most underserved populations.

## Strengthen Our Community

One of Edwards Lifesciences' key Aspirations is to "strengthen our communities." Edwards Lifesciences is committed to assisting local charities by offering a helping hand and partnering to positively impact our communities. Through Edwards Lifesciences' Strengthen Our Community program, employees have the opportunity to participate in at least one community service activity each month, including volunteering opportunities, participating in walk-a-thons and blood drives and contributing to food, clothing and toy drives.

Edwards Lifesciences' employees are proud of their involvement in a wide range of worthy community causes, and in 2006, our community outreach included the following organizations:

January	Red Cross Blood Drive
February	American Heart Association's Go Red for Women (Orange County, CA and Mayaguez, Puerto Rico)
March	Working Wardrobes Red Cross Blood Drive
April	Rebuilding Together Blood Drive, Puerto Rico
May	Red Cross Blood Drive Annual Health Fair, Puerto Rico
June	Change for Children's Hospital of Orange County
July	Red Cross Blood Drive
August	Families Forward School Supply Donations
September	American Heart Association Heart Walk Red Cross Blood Drive United Fund Campaign, Puerto Rico
October	Orange County Food Drive Children's Hospital of Orange County Walk
November	4th Annual United Way Campaign Red Cross Blood Drive
December	Operation Santa Claus Toy Drive Centri Espibi for Children, Puerto Rico
